SUBJECT: Appointment of June Terpstra, Director of Sexual Harassment Prevention and Policy

I am pleased to announce the appointment of June Terpstra to the newly created position of Director of Sexual Harassment Prevention and Policy. June comes to us from Northwestern University where she has served as Director of the Northwestern University Women's Center since 1986 and a Lecturer in Women's Studies. Her responsibilities will include the administration of the campus policy on sexual harassment and complaint resolution and the development and presentation of programs about sexual harassment and related issues to faculty, staff and students.

June will report directly to me but will work closely with other offices on campus with responsibilities in this area; e.g., Student Safety Awareness, Staff Affirmative Action, Staff Education and Development and the Office of Graduate Studies and Research.

June will join us on May 1 and will be housed temporarily in McGill Hall room 3109 until the renovation of permanent space in Building 201, University Center is completed in June. June has a personal connection to UCSD through her husband who graduated from Revelle College. I hope you will make a point of contacting her and making her feel welcome.
