Dear Colleagues:

Enclosed for systemwide review prior to finalization and issuance is the interim Clery Act Policy – Campus Safety and Security Reporting.

In July 2022, the interim Clery Act Policy was issued to address immediate Department of Education compliance concerns regarding the exemption of certain offices from Clery Act reporting requirements. Following the interim issuance, a Systemwide Clery Policy Working Group was formed that included representation from campus Chief Compliance & Ethics Officers, Clery Coordinators, CARE Offices, Ombuds, Title IX, Community Safety, and UC Legal. The working group conducted workshops with key stakeholder groups to gather feedback on the interim policy, compile additional feedback on the policy, and begin the development of implementation guidance.

The interim Clery Act Policy is being submitted for Systemwide Review as currently publicly posted. The working group is considering stakeholder feedback that has been previously received in the following areas: State v. Federal provisions, definition consistency and utility, alignment to Federal policy, Clery Officer role clarity, and CARE Office role clarity. The feedback provided during Systemwide Review on the interim Policy will be compiled and considered along with the stakeholder feedback received by the working group.

Systemwide Review

Systemwide review is a public review distributed to the Chancellors, the Chair of the Academic Council, the Director of the Lawrence Berkeley National Laboratory, and the Vice President of Agriculture and Natural Resources requesting that they inform the general University community, especially affected employees, about policy proposals. Systemwide review also includes a mandatory, 90-day full Senate review.

Employees should be afforded the opportunity to review and comment on the draft policy. Attached is a Model Communication which may be used to inform non-exclusively represented employees about these proposals. The Labor Relations Office at

the Office of the President is responsible for informing the bargaining units representing union membership about policy proposals.

We would appreciate receiving your comments no later than **June 8, 2023**. Please submit your comments to policyoffice@ucop.edu. If you have any questions, please contact policyoffice@ucop.edu.

Sincerely,

Rachael Nava
Executive Vice President,
Chief Operating Officer
