These are the due dates for all proposed Regents' agenda items and related contract and grant proposals to be received in the Office of Contract and Grant Administration (OCGA), Administrative Records, and Systemwide Administration Offices. These dates are final. Strict adherence is necessary because of the lead-time required for review by the OCGA, approval by the Chancellor and coordination and approval within Office of the President.

Questions concerning the submission of these proposals and related agenda items for the General Campus and School of Medicine should be directed to OCGA, extension 43330, or to extension 44570 for Scripps Institution of Oceanography proposals.
