POLICY STATEMENT

A. JURISDICTION

These Procedures apply to the non-academic student conduct of UC San Diego Students and Student Organizations that occurs on University Property, or at University-Supported Activities. These Procedures also apply to off-campus conduct that occurs in the context of an education program or activity, or adversely affects the UC San Diego Community and/or the pursuit of the University’s objectives as determined by the Vice Chancellor – Student Affairs. These Procedures apply to a Student’s conduct even if the Student withdraws from the University after the conduct allegedly occurred. However, when a formal investigation is deemed appropriate for cases involving reports of Sexual Violence, Sexual Harassment or other prohibited conduct by the UC Sexual Violence and Sexual Harassment Policy, UC San Diego will implement the procedures set forth in either PACAOS Appendix E: Sexual Violence and Sexual Harassment Student Investigation and Adjudication Framework or Appendix F: Sexual Violence and Sexual Harassment Student Investigation and Adjudication Framework for DOE-covered Conduct (rather than those set forth in these Procedures).

1. These Procedures apply to all UC San Diego Students, including undergraduate, graduate, professional school, and Extension students, as defined in PACAOS Section 101.00.

2. The University will not routinely invoke the processes described in these Procedures over non-academic student conduct that occurs off-campus except in connection with an official University-Supported Activity. However, under limited circumstances, the University has the discretion to exercise jurisdiction over off-campus conduct that would violate the Standards of Conduct or other University Policies if it occurred on-campus.

3. These Procedures also apply to alleged incidents of hazing regardless of the location(s) of the alleged hazing. Additionally, jurisdiction may be exercised over off-campus conduct, following evaluation using the criteria described in Section A(5) below, where the alleged off-campus conduct includes alleged conduct such as:

   a. Physical assault, threats of violence, or other conduct that threatens the health or safety of any person;

   b. University of California Sexual Violence and Sexual Harassment Policy violations, including, but not limited to, sexual assault, relationship violence, stalking, sexual harassment, and invasions of sexual privacy;

   c. Harassment;

   d. Illegal possession or use of weapons, explosives, or destructive devices;

   e. Illegal manufacture, sale, or distribution of controlled substances; or

   f. Hate crimes as defined by California law.
4. All requests to exercise off-campus jurisdiction will be submitted by the Director of Student Conduct or their designee to the Vice Chancellor – Student Affairs or their designee, who will have the exclusive authority to extend jurisdiction under these Procedures. The decision by the Vice Chancellor – Student Affairs or their designee is final and not subject to appeal.

5. In determining whether or not to exercise jurisdiction over off-campus student conduct, the Vice Chancellor – Student Affairs or their designee will consider the totality of the circumstances, including the following factors:
   a. The seriousness of the alleged conduct;
   b. The impact of the conduct on any member of the University community or the campus as a whole;
   c. Whether the alleged victim is a member of the University community;
   d. The ability of the University to gather information, including the testimony of witnesses;
   e. Whether the off-campus conduct is part of a continuing course of conduct that occurred either on- or off-campus;
   f. Whether the alleged conduct occurs within the context of an education program or activity; and
   g. Whether the alleged conduct adversely affects the UC San Diego Community and/or the pursuit of the University’s objectives.

6. The UC San Diego Police Department may share information with the Office of Student Conduct regarding on or off-campus student conduct that may violate the Standards of Conduct.

B. INTERPRETATION OF REGULATIONS & APPLICABILITY

These Procedures serve as a general notice of our community standards. It is not written as specifically or practiced in the same way as local, state, or federal law. As such, it should be viewed as a framework to educate through an accountability process. Additionally, conduct prohibited by the Standards of Conduct may or may not violate local, state, or federal law, and the University may address such conduct independent of and/or concurrently with other legal proceedings.

1. These Procedures supersede any and all previous versions of the UC San Diego Student Conduct Code and these Procedures. PACAOS Section 100.00 and these Procedures, serve as the official reference for non-academic student conduct matters at UC San Diego. All matters of non-academic student conduct at UC San Diego may be handled in accordance with these Procedures, unless superseded by a specific procedure of a professional school or program under the purview of the University’s objectives. In such instances, professional schools or programs may hold students accountable based on school or program-specific policies.

2. The Policy on Integrity of Scholarship (http://senate.ucsd.edu/Operating-Procedures/Senate-Manual/Appendices/2) governs all instances of academic misconduct. However, these Procedures apply to non-academic student conduct (e.g. falsifying documents, furnishing false information) discovered as part of an academic misconduct incident.

3. Reports of alleged violations where the incident occurred prior to the adoption of the most recent version of these Procedures will be resolved using the version in effect when the incident occurred.

4. If any portion of these Procedures are invalidated or deemed to be unenforceable, the remainder of these Procedures will remain in effect.
C. STANDARDS OF CONDUCT

Violations of any of the Standards of Conduct described in PACAOS Section 102.00 and/or in this section, including attempts to engage in or aid in such conduct, violate the University's community standards (and may be subject to action under the processes outlined in these Procedures). These standards will not be used to restrict the lawful exercise of constitutionally protected rights of freedom of speech or assembly.

1. Disorderly or lewd conduct, as described by PACAOS Section 102.14 includes, but is not limited to, public urination, indecent exposure, loud and unreasonable noise serving no legitimate purpose, or unauthorized gambling.

2. Unlawful assembly, as described in PACAOS Section 102.15, includes two or more people assembling together to commit an unlawful act, or a lawful act in a violent, boisterous, or tumultuous manner, as defined by state law.

3. PACAOS Section 102.17 includes the misuse of any prescribed medication, over the counter drugs and/or other controlled substances, as prohibited by federal law, state law, or University Policy. Controlled substances include any drugs regulated by the local, state, or federal government (this includes medicinal marijuana).

4. The following are additional Standards of Conduct as specified by these Procedures:
   a. Physical, verbal, written, face-to-face, telephonic, electronic or other means of contact that a Student knows or should know is unwanted, is communicated directly to one or more specific Students, faculty, or staff, constitutes severe and/or pervasive, and objectively offensive conduct; and does not constitute speech protected by the First Amendment of the United States Constitution (e.g. speech in a public forum on a matter of public concern).
   b. Instituting a complaint in bad faith and/or attempting to discourage an individual’s proper participation in, or use of, the student conduct process.
   c. Violating other University Policies.
   d. Violations of federal, state, or local law not covered by the standards described above.
   e. Violating health and safety requirements issued by the University and/or local, state, or federal governments in response to public health emergencies (e.g. COVID-19)

D. REPORTS OF ALLEGED VIOLATIONS

All reports of alleged violations of the Standards of Conduct are submitted and referred to the Office of Student Conduct for review. The Office of Student Conduct will then determine whether there is reasonable cause to process the report and forward it to the Dean or their designee for resolution.

1. Any person may make a report of alleged violations of the Standards of Conduct by a Student or Student Organization. Reports should be made to the Office of Student Conduct for review and possible referral to the relevant Dean or their designee or other appropriate office for resolution, including use of alternative resolution options (e.g. mediation, restorative justice). Persons making reports of alleged violations are expected to provide information related to the alleged violations and may be requested to participate in the Administrative Resolution and/or Student Conduct Review processes as outlined in these Procedures.

2. Except as noted in Section D(6) below, upon receipt of a report of alleged violations of these Procedures, the Office of Student Conduct will determine whether or not there is reasonable cause to believe the Student or Student Organization may have committed a violation of the Standards of Conduct. To make this determination, the Office of Student Conduct may conduct an investigation or, if appropriate, refer the report to another appropriate office for investigation.
3. In determining whether there is reasonable cause to believe a Student Organization may have violated the Standards of Conduct, the Office of Student Conduct will consider, among other things:

   a. The degree of knowledge and/or involvement of the Student Organization’s principal members, officers and/or members;

   b. The use of the Student Organization’s resources (e.g. money, space, other resources); and

   c. The proportion of the Student Organization’s members involved.

4. If, after reviewing the report and/or conducting an investigation, there is reasonable cause to believe that a violation of the Standards of Conduct may have occurred, the report will be forwarded to the Dean or their designee for resolution as described in Section E below. If there is not reasonable cause to believe that a violation of the Standards of Conduct may have occurred, the Office of Student Conduct will not forward the report to the Dean or their designee and may notify the Respondent and/or the Complainant that no further action will be taken.

5. A Student Organization and its principal members may be collectively or individually charged and/or held responsible when actions by its principal members, leaders, officers, or members violate the Standards of Conduct in conjunction with activities or events, held on- or off-campus, sanctioned explicitly or implicitly by the organization’s principal members, leaders, officers, or members.

6. All reports involving alleged violations of sexual violence and sexual harassment (e.g. sexual assault relationship violence, stalking of a sexual or romantic nature), harassment related to a protected class referenced by University policy, and/or discrimination related to a protected class referenced by University policy will be referred to the Office for the Prevention of Harassment and Discrimination (OPHD).

7. Review and resolution of sexual violence and sexual harassment allegations will be handled in accordance with the University of California Sexual Violence and Sexual Harassment Policy and the procedures set forth in either PACAOS Appendix E: Sexual Violence and Sexual Harassment Student Investigation and Adjudication Framework (“Appendix E”) or PACAOS Appendix F: Sexual Violence and Sexual Harassment Student Investigation and Adjudication Framework (“Appendix F”). Appendix E or Appendix F will also be used to adjudicate other violations of the Standards of Conduct alleged to have occurred in connection with sexual violence and sexual harassment allegations.

8. Review and resolution of harassment and discrimination reports involving protected classes will be handled through these Procedures.

9. In pending student conduct actions that may result in a Respondent’s suspension or dismissal, a temporary hold on transcripts will normally be placed by the relevant Dean or the Office of Student Conduct. In addition, if a Respondent becomes eligible for a degree before the completion of the student conduct process, the Executive Vice Chancellor may direct that the degree not be awarded until the process is completed.

10. When a hold is placed on a Respondent’s student account and conduct record, the Office of Student Conduct will notify the Respondent via email that a hold has been placed on their account, the reason for the hold, and how to request removal of the hold.

11. Reports that are made more than one year following the alleged incident will only be referred for resolution with the joint approval of the relevant Dean or their designee and the Director of Student Conduct or their designee.

E. RESOLUTION OPTIONS FOR REPORTS OF ALLEGED VIOLATIONS

If the Office of Student Conduct finds reasonable cause to refer a report of alleged violations, the Dean or their designee will use an appropriate method of resolution. Options include resolution
through the student conduct process with an Administrative Resolution or through an alternative resolution option, such as mediation or restorative justice. Alleged violations not resolved through these options will be referred to a Student Conduct Review.

1. The relevant Dean overseeing an undergraduate college or residential area will designate professional staff members, which may be themselves, to resolve referred reports of alleged violations. In the case of non-undergraduate Students or Student Organizations, the referral and resolution of reports will be handled in the following manner:

   a. Reports of incidents occurring in graduate and professional student on-campus housing facilities will typically be referred to the Office of Graduate and Family Housing. All other reports involving graduate Students will be referred to the Assistant Dean of Graduate Student Affairs.

   b. Reports involving medical Students will be referred to the Associate Dean of Admissions and Student Affairs, School of Medicine.

   c. Reports involving pharmacy Students will be referred to the Director of Student Affairs and Admissions for the Skaggs School of Pharmacy.

   d. Reports involving Extension Students will be referred to the Student Affairs Manager of UC San Diego Extension.

   e. Reports involving Registered Student Organizations will be referred to the Executive Director of the Center for Student Involvement or their designee. Reports involving college-based Student Organizations will typically be handled by the relevant Dean, in consultation the Office of Student Conduct. Incidents involving Intercollegiate Athletic or club sports teams will be handled by the Office of Student Conduct.

2. If the report of alleged violations will be resolved through the student conduct process, the report will normally be assigned by the Office of Student Conduct to a Dean or designee for an Administrative Resolution within 20 Business Days of receipt of a report.

3. For reports of alleged violations arising from a Multi-Area Incident, the Office of Student Conduct will either resolve the incident or forward it to a Dean or designee for resolution. Normally, all Respondents will be referred by the Office of Student Conduct to meet with the same Student Conduct Officer in separate Administrative Resolutions.

4. If an incident report is not resolved through an Administrative Resolution or a Student Conduct Review, the Office of Student Conduct or the Dean or their designee may issue a written notification to a Student or Student Organization when their alleged behavior may have violated the Standards of Conduct. If a Student or Student Organization receives such notice they will be given the opportunity to submit a brief written response, which will be retained in their student conduct record. The written notice and the Student’s or Student Organization’s response may be used in subsequent proceedings to determine applicable sanctions.

5. The Office of Student Conduct may determine that an alternative resolution option may be appropriate. These include, but are not limited to, mediation, restorative justice, or other alternative resolution options. If the Respondent and other involved parties agree to participate in an alternative resolution option, any alleged violations of the Standards of Conduct may be resolved through the mutually agreed upon option.

6. Alleged violations not resolved through the Administrative Resolution process or through alternative resolution options will be referred to a Student Conduct Review.

7. Administrative Resolution Meetings, Student Conduct Reviews, and other related meetings described in these Procedures are normally conducted in-person but may be conducted remotely (e.g. video conferencing, phone, etc.).

F. ADMINISTRATIVE RESOLUTION
The respective Deans or their designees and the Director of Student Conduct or their designee have appointed staff members to serve as Student Conduct Officers to facilitate Administrative Resolution meetings with Students to resolve alleged violations of the Standards of Conduct.

1. The Student Conduct Officer will provide the Respondent with the following information in writing prior to the Administrative Resolution:
   a. Notification of the alleged violations of the Standards of Conduct;
   b. Summary of the information relating to the alleged violations of the Standards of Conduct;
   c. Notice that the Respondent has five Business Days from the date of the notice to contact the Student Conduct Officer to schedule an Administrative Resolution;
   d. Electronic or hard copy versions of case materials to be reviewed at the meeting (e.g. incident report, police report, etc.);
   e. Information about how to request the presence of witnesses;
   f. Information about how to request assistance from campus resources; and
   g. Information about requesting accommodations from the Office for Students with Disabilities and notifying the Student Conduct Officer of any pre-approved accommodations.

2. A Respondent who cannot attend a scheduled Administrative Resolution must contact the Student Conduct Officer to request a new date and/or time at least one Business Day prior to the meeting. It is at the discretion of the Student Conduct Officer if the meeting will be rescheduled and a Respondent may only request one change to the date and/or time of the meeting.

3. If the Respondent does not schedule an Administrative Resolution within five Business Days from the date of the notice, the Student Conduct Officer will provide the Respondent, via email, a second opportunity to schedule a meeting within an additional five Business Days from the date of the second notice. If the Respondent does not schedule an Administrative Resolution before the additional five Business Days have passed, the Student Conduct Officer will determine the Respondent’s responsibility for the alleged violations of the Standards of Conduct and assign sanctions (if any) based on the information in their possession without the Respondent’s participation.

4. Administrative Resolutions will be closed to the public. Recording devices (audio and/or video) of any kind are not permitted for use by the Respondent, Complainant, witnesses, or Advisors.

5. Respondents and Complainants are entitled to be assisted by an Advisor during an Administrative Resolution.
   a. Students electing to be accompanied by an Advisor must notify the Student Conduct Officer at least one Business Day prior to the meeting and must provide a copy of a signed “Consent to Release Student Records” form that allows the student conduct case and records information to be shared with the Advisor.
   b. All Advisors will be required to abide by the roles and expectations of an Advisor as specified in these Procedures. Advisors may be excluded by the Student Conduct Officer for failing to adhere to these rules.
   c. Student Advocates may speak on behalf of their advisee so long as all procedural requirements are followed. Other Advisors (including, students, faculty, staff, and attorneys) will be limited to communicating with their advisee and will not interrupt, disrupt, or directly participate in the Administrative Resolution.
6. A Respondent or Complainant may request, in writing, that a Student Conduct Officer be disqualified from facilitating an Administrative Resolution. The request must be made to the Office of Student Conduct at least two Business Days before the scheduled meeting and must include an explanation as to why they believe the Student Conduct Officer is unable to make an impartial decision. The Director of Student Conduct or their designee will disqualify or exclude any Student Conduct Officer who is not able, in their judgment, to make an impartial decision in the case. If the request is granted, the Director of Student Conduct or their designee will select another Student Conduct Officer to facilitate the Administrative Resolution.

7. At the meeting, the Student Conduct Officer will explain the Administrative Resolution process to the Respondent. The Student Conduct Officer will explain the Respondent’s rights and describe the alleged violations of the Standards of Conduct. The Respondent will then have the opportunity to respond to the alleged violations, including providing witnesses for the Student Conduct Officer to meet with. At the conclusion of the meeting, the Respondent will decide whether to accept responsibility for the alleged violations and the Student Conduct Officer will explain the potential sanctions.

8. If the Respondent accepts responsibility for violating the Standards of Conduct and is not subject to suspension or dismissal, the Student Conduct Officer will notify the Respondent in writing with a brief summary of the meeting and assigned sanctions (generally within 10 Business Days).

9. If an undergraduate Respondent accepts responsibility for violating the Standards of Conduct and is subject to suspension or dismissal, the Student Conduct Officer will consult with the Council of Deans of Student Affairs (generally within five Business Days of conclusion of the Administrative Resolution). The Council of Deans of Student Affairs will make a final determination of the sanction(s). Thereafter, the Student Conduct Officer will notify the Respondent in writing with a brief summary of the Administrative Resolution and assigned sanctions (generally within 10 Business Days of the final determination of sanctions).

10. If a graduate Student, medical or pharmacy Student, Extension Student, or Student Organization accepts responsibility for violating the Standards of Conduct and is subject to suspension or dismissal, the Student Conduct Officer will notify the Respondent in writing with a brief summary of the meeting and assigned sanctions (generally within 10 Business Days of the Administrative Resolution).

11. If the Respondent does not accept responsibility for one or more alleged violations and the Student Conduct Officer believes there may be a Preponderance of the Evidence to sustain those alleged violations, the Student Conduct Officer will refer the matter to the Office of Student Conduct for a Student Conduct Review (generally within five Business Days of the Administrative Resolution).

12. If the Student Conduct Officer determines there may not be a Preponderance of the Evidence to sustain all alleged violation(s) of the Standards of Conduct and the matter is not forwarded to a Student Conduct Review, the Respondent will be notified in writing (generally within 10 Business Days of the Administrative Resolution), that the alleged violation(s) have been dismissed.

G. STUDENT CONDUCT REVIEWS

If a Respondent does not accept responsibility at the Administrative Resolution, they have the right to a Student Conduct Review. A Student Conduct Review provides an opportunity for the Community Standards Board or Review Officer to hear and receive the Respondent’s information, witnesses, and response to the alleged violations, and to determine the Respondent’s responsibility for the alleged violations.

1. All cases referred to a Student Conduct Review will be assigned to the Community Standards Board or a Review Officer. However, in the case of professional school Respondents whose schools have established school-specific resolution procedures, those procedures may be utilized, at the sole discretion of the University, in place of the ones provided for in these Procedures.
2. The Community Standards Board will be comprised of:
   a. No fewer than 12 undergraduate Students (two from each undergraduate College) appointed by the Vice Chancellor – Student Affairs or their designee, in consultation with the College Deans of Student Affairs or their designees and respective College Councils.
   b. No fewer than six graduate or professional school Students appointed by the Vice Chancellor – Student Affairs or their designee.
      a. Graduate Students will be appointed in consultation with the Graduate Student Association and the Dean of the Graduate Division or their designee.
      b. Medical Students will be appointed in consultation with the Student Government of the School of Medicine and the Associate Dean of Admissions and Student Affairs, School of Medicine or their designee.
      c. Pharmacy Students will be appointed in consultation with the Skaggs School of Pharmacy Associated Students and the Dean of the Skaggs School of Pharmacy or their designee.
   c. No fewer than six staff and/or faculty members.
      a. Staff members will be appointed by the Vice Chancellor – Student Affairs or their designee.
      b. Faculty members will be appointed by the Academic Senate.
   d. Community Standards Board members will be appointed to a minimum term of one year and may be re-appointed for additional terms.

3. A Student Conduct Officer or Respondent may request to have the Student Conduct Review conducted by a Review Officer rather than the Community Standards Board. All requests must be made in writing to the Office of Student Conduct prior to scheduling the Student Conduct Review. If the Director of Student Conduct or their designee grants the request, they will select a Review Officer and notify the Respondent and Student Conduct Officer prior to the Student Conduct Review.

4. Student Conduct Reviews may be held during Summer Sessions. The Director of Student Conduct or their designee may make temporary appointees from the groups listed in Section G (2) above, if there are not enough regular appointees available to comprise the Community Standards Board for a Student Conduct Review. All temporary appointees will participate in training session(s) conducted by the Office of Student Conduct prior to serving on a Student Conduct Review.

5. Based on availability, five members, including a Chair, will be selected and scheduled by the Office of Student Conduct for a Student Conduct Review conducted by the Community Standards Board. A Student Conduct Review facilitated by the Community Standards Board may be held with fewer than five members with the consent of the Respondent. However, no Student Conduct Review facilitated by the Community Standards Board may be scheduled or conducted with fewer than three members.
   a. For Student Conduct Reviews with an undergraduate Respondent, the Community Standards Board will be composed of three Students, including at least one undergraduate Student, and two faculty and/or staff members. For Student Conduct Reviews involving Respondents from a graduate program, professional school, or UC San Diego Extension, the Community Standards Board will be comprised of three Students, including at least one graduate program or professional school Student, and two faculty and/or staff members. These composition requirements do not apply to Community Standards Board Reviews with less than five members.
b. The Chair for Student Conduct Reviews facilitated by the Community Standards Board will be selected by the Office of Student Conduct based on availability of members.

c. A Review Officer will be selected by the Office of Student Conduct for a Student Conduct Review not facilitated by the Community Standards Board.

6. The Director of Student Conduct or their designee will serve as the Review Advisor and will attend the Student Conduct Review and subsequent deliberations. However, the Review Advisor will not vote in determining whether the Respondent is responsible for violating the Standards of Conduct.

7. The Office of Student Conduct will select a University Representative for the Student Conduct Review. The role of the University Representative will be to present information supporting the alleged violations. The University Representative will also ask questions of the Respondent and of any witnesses that appear.

8. The Respondent (and Complainant, if applicable) will have the opportunity to meet with a staff member from the Office of Student Conduct individually prior to scheduling the Student Conduct Review. The purpose of the meeting is for the staff member to explain the Student Conduct Review process, key deadlines, and answer any relevant questions. If the Respondent (or Complainant, if applicable), after notice is sent by the Office of Student Conduct, does not schedule and/or attend the meeting, the Student Conduct Review will be scheduled without their input. The staff member will also notify the Respondent whether the matter will be forwarded to an individual or group Student Conduct Review.

9. Multiple Respondents may be scheduled to participate in a group Student Conduct Review at the discretion of the Office of Student Conduct when the alleged violations result from the same underlying incident. Group Student Conduct Reviews will follow the format described in Section G (25) below.

a. A Respondent assigned to a group Student Conduct Review may request to have their Student Conduct Review handled separately from the other Respondents. All requests must be made in writing to the Office of Student Conduct at least three Business Days prior to scheduling the Student Conduct Review.

b. In considering a Respondent’s request, the Director of Student Conduct or their designee will determine whether separate Student Conduct Reviews are appropriate and will base their decision on the basis for the request and the practicality of conducting multiple separate Student Conduct Reviews. If the Director of Student Conduct or their designee grants the request, they will notify the Respondent and Review Advisor prior to scheduling the Student Conduct Review.

c. Should a Respondent’s request to have an individual Student Conduct Review be granted, the Office of Student Conduct may schedule a supplemental Student Conduct Review to enable all participating witnesses to provide their information to the Community Standards Board or Review Officer, the University Representative, and all Respondents at one time. Supplemental Student Conduct Reviews involving witnesses may be held prior to or after the individual Student Conduct Reviews, depending upon the scheduling considerations present in the matter.

d. If there are three or more Respondents, the request for a separate Student Conduct Review will apply only to the Respondent(s) requesting the separate Student Conduct Review.

10. Until the actual start of the Student Conduct Review, the Respondent may accept responsibility for the alleged violations with the original Student Conduct Officer or the Office of Student Conduct. This decision is binding on the Respondent and cancels the scheduled Student Conduct Review. The original Student Conduct Officer will assign sanctions as described in Section (F) above.
11. At least 10 Business Days prior to the Student Conduct Review, the Office of Student Conduct will provide the Respondent in writing with the following information:

   a. Notification of the alleged violations of the Standards of Conduct;
   b. Summary of the information relating to the alleged violations of the Standards of Conduct;
   c. The date, time and place of the Student Conduct Review;
   d. The name(s) of the Community Standards Board members or Review Officer, the Review Advisor, and the University Representative;
   e. Electronic or hard copy versions of case materials to be reviewed at the Student Conduct Review (e.g. incident report, police report, etc.);
   f. Information about how to request the presence of witnesses during the Student Conduct Review; and
   g. Information about how to request assistance from campus resources.
   h. Information about requesting accommodations from the Office for Students with Disabilities and notifying the Office of Student Conduct of any pre-approved accommodations.

12. A Respondent who cannot attend the scheduled Student Conduct Review must contact the Office of Student Conduct to request a new date and/or time for the Student Conduct Review at least three Business Days prior to the Student Conduct Review. It is at the discretion of the Director of Student Conduct or their designee if the Student Conduct Review will be rescheduled and a Respondent may only request one change to the date and/or time of the Student Conduct Review.

13. If, after notice is sent by the Office of Student Conduct, the Respondent does not appear at the Student Conduct Review at the scheduled date and/or time, the Community Standards Board or Review Officer may conduct the Student Conduct Review without the Respondent’s participation and determine the Respondent's responsibility for the alleged violations of the Standards of Conduct.

14. A Student Conduct Review may be conducted on a non-Business Day at the discretion of the Director of Student Conduct or their designee with the agreement of all involved participants.

15. All Student Conduct Reviews will be closed to the public. Only members of the Community Standards Board, the Review Officer, the Review Advisor, the University Representative, the Respondent (and their Advisor, if any), the Complainant (and their Advisor, if any), and witnesses will typically be permitted to participate in the Student Conduct Review.

16. The Review Advisor will facilitate a recording of the Student Conduct Review. Recording devices of any kind are not permitted for use by anyone except the Review Advisor. The recording will become part of the Respondent’s student conduct record. Community Standards Board deliberations will not be recorded.

17. Respondents and Complainants are entitled to be assisted by an Advisor during the Student Conduct Review.

   a. Participants electing to be accompanied by an Advisor must notify the Office of Student Conduct in writing at least three Business Days prior to the Student Conduct Review.
   b. All Advisors will be required to abide by the roles and expectations of an Advisor as specified in these Procedures. Advisors may be excluded by the Review Officer or Chair for failing to adhere to these rules.
c. Student Advocates may speak on behalf of their advisee so long as all procedural
requirements are followed. Other Advisors (including, students, faculty, staff, and attorneys)
will be limited to communicating with their advisee and will not interrupt, disrupt, or directly
participate in the Student Conduct Review.

18. Members of the University Community are encouraged to appear at a Student Conduct Review
as witnesses if they have knowledge or information regarding the incident in question and if they
have been requested to appear. Individuals who are not Members of the University Community
will generally be permitted to appear at a Student Conduct Review as a witness if they have direct
knowledge or information regarding the incident in question. Character witnesses are generally
not allowed to appear without the permission of the Director of Student Conduct or their designee
upon a showing of good cause.

19. Written witness statements will not be reviewed by the Community Standards Board or Review
Officer unless they are signed by the witness and witnessed by a professional staff member from
the Office of Student Conduct or a certified notary public.

20. All documents and names of witnesses to be presented at the Student Conduct Review by the
University Representative and the Respondent must be submitted to the Office of Student
Conduct at least three Business Days prior to the Student Conduct Review. The Office of Student
Conduct will provide copies of submitted documents and witness lists to the University
Representative, Respondent, and Community Standards Board or Review Officer at least two
Business Days prior to the Student Conduct Review. Any documents or names of witnesses
submitted and/or discovered less than three Business Days prior to the Student Conduct Review
(including the Student Conduct Review itself) may only be considered at the discretion of the
Chair or Review Officer in consultation with the Review Advisor.

21. A Respondent or Complainant may request, in writing, that a Community Standards Board
member be disqualified from participating in a Student Conduct Review. The request must be
made to the Office of Student Conduct at least three Business Days before the scheduled
Student Conduct Review and must include an explanation as to why the person is unable to
make an impartial decision. In addition to determining such requests, the Director of Student
Conduct or their designee will disqualify any Community Standards Board member who is not
able, in their judgment, to make an impartial decision. If the Director of Student Conduct or their
designee grants a disqualification request, they will select another Community Standards Board
member to replace the disqualified member and notify the Respondent, University
Representative, and Complainant prior to the Student Conduct Review.

22. A Respondent or Complainant may request, in writing, that the Review Advisor or Review Officer
be disqualified from participating in a Student Conduct Review. The request must be made to the
Office of Student Conduct at least three Business Days before the scheduled Student Conduct
Review and must include an explanation as to why the person is unable to make an impartial
decision. In addition to determining such requests, the Director of Student Conduct or their
designee will disqualify any Review Advisor or Review Officer who they believe is not able, in
their judgment, to impartially serve in that role. If the Director of Student Conduct or their
designee grants a disqualification request, they will select another Review Advisor or Review
Officer to replace the disqualified staff member and notify the Respondent, University
Representative, and Complainant prior to the Student Conduct Review.

23. Any member of the Community Standards Board, the Review Advisor, or a Review Officer who
believes that they are unable to conduct a fair and impartial Student Conduct Review and/or has
identified a conflict of interest will disqualify themselves from participating in the Student Conduct
Review. Such decision should be communicated in writing to the Office of Student Conduct at
least three Business Days prior to the start of the Student Conduct Review. The Director of
Student Conduct or their designee will select another Community Standards Board member,
Review Advisor, or Review Officer to replace the disqualified person and notify the Respondent,
University Representative, and Complainant prior to the Student Conduct Review.
24. The Chair or Review Officer is responsible for facilitating the Student Conduct Review and, in consultation with the Review Advisor, will make decisions regarding witnesses, information, and procedures.

   a. The Chair or Review Officer may exclude any person who disrupts the Student Conduct Review.

   b. The Chair or Review Officer may institute reasonable time or other restrictions on the delivery of participant and witness information in order to complete the Student Conduct Review in a reasonable amount of time.

25. At the Student Conduct Review, the Chair or Review Officer will explain the process to the Respondent, University Representative, and other participants. The Community Standards Board or Review Officer will hear and receive information and witnesses presented by the University Representative supporting the alleged violations. The Community Standards Board or Review Officer and Respondent may also ask questions of the witnesses presented by the University Representative. The Community Standards Board or Review Officer will then hear and receive the Respondent’s information, witnesses, and response to the alleged violations, review the applicable report(s) and other information, and ask questions of the Respondent and witnesses presented by the Respondent. The University Representative will also have the opportunity to ask questions of the Respondent and the witnesses presented by the Respondent. The Chair or Review Officer will conclude the Student Conduct Review by explaining the next steps in the process.

26. After conducting a Student Conduct Review, the Community Standard Board or Review Officer will deliberate privately. The determination(s) of the Community Standards Board will be made by majority vote. The Chair will not vote unless there is a tie.

   a. The Community Standards Board or Review Officer will determine whether the Respondent is responsible for the alleged violation(s) of the Standards of Conduct. If the Respondent is found not responsible for all alleged violations, the matter will be dismissed and concluded without any further proceedings for the Respondent.

   b. In determining whether or not a Respondent is responsible for violating the Standards of Conduct, the Community Standards Board or Review Officer will base its fact-finding determination(s) on the Preponderance of the Evidence, with the University bearing the burden of proof.

27. After the conclusion of deliberations, the Chair or Review Officer will submit a Student Conduct Review Report to the Office of Student Conduct summarizing the information presented at the Student Conduct Review and the Community Standards Board’s or Review Officer’s findings for the alleged violations of the Standards of Conduct.

28. The Office of Student Conduct will forward the Student Conduct Review Report to the original Student Conduct Officer (generally within five Business Days of the conclusion of the Student Conduct Review).

   a. If the Respondent is found responsible for violating the Standards of Conduct, and except as set forth below, the original Student Conduct Officer will assign sanctions. In assigning sanctions, the Student Conduct Officer should consider the findings in the Student Conduct Review Report, applicable sanctioning guidelines, and the Respondent’s student conduct record.

   b. If the Student Conduct Officer does not assign suspension or dismissal as a sanction, the Office of Student Conduct will provide the Respondent in writing with the Student Conduct Review Report and assigned sanctions (generally within five Business Days of receiving the report).

   c. If the Student Conduct Officer determines that a suspension or dismissal is warranted as a sanction for an undergraduate Student, they will consult with the Council of Deans of Student
Affairs. The Council of Deans of Student Affairs will make the final determination of the sanctions. Thereafter, the Office of Student Conduct will provide the Respondent in writing with the Student Conduct Review Report and assigned sanctions (generally within five Business Days of the final determination of sanctions).

d. If the Student Conduct Officer determines that a suspension or dismissal is warranted as a sanction for a graduate Student, Extension Student or Student Organization, the Office of Student Conduct will provide the Respondent in writing with the Student Conduct Review Report and assigned sanctions (generally within five Business Days of receiving the report).

29. If a medical or pharmacy Student is found responsible for violating the Standards of Conduct, the Office of Student Conduct will forward the Student Conduct Review Report in writing to the Respondent and the relevant Standing and Promotions Committee (School of Medicine) or Academic Oversight Committee (Skaggs School of Pharmacy) (generally within five Business Days of the conclusion of the Student Conduct Review).

a. The relevant committee will meet with the Respondent to discuss sanctions. In assigning sanctions, the relevant committee should consider the findings in the Student Conduct Review Report, relevant sanctioning guidelines (if any), and the Respondent's student conduct record.

b. The relevant committee will notify the Respondent in writing with the assigned sanctions upon conclusion of its proceedings. The relevant committee will notify the Office of Student Conduct of the sanctions assigned to the Respondent.

30. If the Community Standards Board or Review Officer finds the Respondent not responsible for all alleged violations of the Standards of Conduct, the Office of Student Conduct will forward the Student Conduct Review Report to the Student Conduct Officer for review (generally within five Business Days of the conclusion of the Student Conduct Review). The Office of Student Conduct will then provide the Respondent with the Student Conduct Review Report and notification in writing that all alleged violations of the Standards of Conduct have been dismissed (generally within five Business Days after providing the report to the Student Conduct Officer).

H. SANCTIONS AND UNIVERSITY ACTIONS

Violations of any of the Standards of Conduct may result in the assignment of sanctions based on the specific circumstances of the incident, the Respondent’s student conduct record, and applicable sanctioning guidelines. Any sanction assigned should be appropriate to the violation and, when appropriate, educational in nature.

1. A Respondent’s student conduct record is cumulative. Therefore, increased sanctions may be assigned to take into consideration the Respondent’s overall record of violations of all types, not just those of a similar type. Violations of the Standards of Conduct or other University Policies during the period of an active sanction may be cause for further action.

2. Repeated violations of any provision of the Standards of Conduct may also result in suspension or dismissal. Lesser sanctions may be assigned if specific factors are present. Factors to be considered in increasing or mitigating a sanction may include:

   a. The severity of the violation;
   b. The Respondent’s student conduct record;
   c. The nature of the violation;
   d. The severity of any damage; and
   e. Any injury or harm resulting from the matter to necessitate student conduct action.
3. When a Respondent accepts responsibility or is found responsible for violating the Standards of Conduct, one or more of the sanctions identified anywhere in PACAOS Section 105.00 may be assigned. In addition, any of the following sanctions may also be assigned:

   a. **Other Sanctions**: Other sanctions may be assigned instead of, or in addition to those specified in PACAOS Section 105.00 at the discretion of the Student Conduct Officer or Council of Deans of Student Affairs. Other sanctions may include, but are not limited to, no contact orders, written apologies, placement of a hold on University transcripts, diplomas, or other student records, University Bookstore fines, and/or other sanctions as deemed appropriate in light of the violation(s).

   b. **Educational Sanctions**: Educational sanctions may be assigned instead of, or in addition to those specified in PACAOS Section 105.00 at the discretion of the Student Conduct Officer or Council of Deans of Student Affairs. Educational sanctions may include, but are not limited to, reflection papers, participation in alcohol or drug education programs, conducting research projects, or meeting with University Officials.

I. INTERIM ACTIONS

1. Any sanction authorized by PACAOS Section 105.00 or these Procedures may be assigned on an interim basis by the Director of Student Conduct or their designee in consultation with the Dean or their designee or the Director of the Center for Student Involvement or their designee. In imposing such interim action, the Director of Student Conduct or their designee will attempt to ensure that a Student or Student Organization will only be restricted to the minimum extent necessary when their participation in University-Supported Activities, use of University resources, or presence on University Property is reasonably likely to lead to:

   a. Physical harm to any person or property;

   b. Threats of violence;

   c. Conduct that threatens the health or safety of any person; or

   d. Other disruptive activity incompatible with the orderly operation of the campus. This includes conduct creating an immediate and/or continuing disruption to the health and safety of members of the University community, teaching, research, administration, disciplinary procedures, or other University-Supported Activities, or access and/or use of University Property. (see UC San Diego Policy on Speech, Advocacy and Distribution of Literature on University Grounds (Policy and Procedure Manual, Section 510-1 IX & XII) for guidelines related to expressive activity on University Grounds and Facilities).

2. Interim suspensions must be submitted by the Director of Student Conduct or their designee to the Chancellor or their designee, who will review the Interim Suspension prior to its issuance. If the Chancellor or their designee does not approve the Interim Suspension, it will be considered void and will not be issued to the Student or Student Organization. Interim Suspensions will be re-reviewed by the Chancellor or their designee within 24 hours.

3. A Student or Student Organization suspended on an interim basis will be given an opportunity to appear personally for an Interim Suspension hearing before the Director of Student Conduct or their designee. The Office of Student Conduct will provide the Respondent in writing with the following information at least three Business Days prior to the hearing:

   a. Summary of the information relating to the interim suspension;

   b. The date, time and place of the hearing;

   c. Electronic or hard copy versions of case materials to be reviewed at the hearing (e.g. incident report, police report, etc.);

   d. Information about how to request the participation of witnesses; and
e. Information about how to request assistance from campus resources.

4. During the hearing, the Student or Student Organization may present information to support discontinuing the Interim Suspension in accordance with Section I (5) below. The Student or Student Organization may also be accompanied to the hearing by an Advisor. All provisions in these Procedures pertaining to Advisors apply during an Interim Suspension hearing.

5. After the Interim Suspension hearing, the Director of Student Conduct or their designee will determine whether the Interim Suspension should continue until a final determination on the merits of the alleged violations of the Standards of Conduct. If the Director of Student Conduct or their designee determines that the conduct and surrounding circumstances reasonably indicate that the continued presence of the Student or Student Organization on campus pending the hearing on the merits is reasonably likely to lead to any of the prohibited conduct as referenced in Section I (1) above, they may continue the Interim Suspension through the conclusion of all appeals related to alleged violation(s). Administrative Resolutions and Student Conduct Reviews involving Students or Student Organizations on a continued Interim Suspension will have scheduling priority.

6. If, after proper notice is sent by the Director of Student Conduct or their designee, the Respondent does not appear at the hearing at the scheduled date, time, and/or place, the Director of Student Conduct or their designee may determine whether to continue the Interim Suspension until a final determination on the merits of the alleged violations of the Standards of Conduct.

7. The Director of Student Conduct or their designee will notify the Respondent in writing with a summary of the hearing and a determination whether the Interim Suspension will continue (generally within five Business Days).

8. The Director of Student Conduct or their designee, in consultation with the Dean or their designee or the Director of the Center for Student Involvement or their designee, may direct a Student or Student Organization to act or refrain from engaging in a specified manner pending student conduct proceedings. These directions may include directing Students or Student Organizations not to intentionally contact others specifically named for a specified period of time. These directions will not terminate the Student’s or Student Organization status as a Student or Student Organization and will not be construed as a finding or acceptance of responsibility on the part of any Student or Student Organization. However, failure to comply with these directions may be a violation of the Standards of Conduct.

9. The Director of Student Conduct or their designee, in consultation with the Dean or their designee or the Director of the Center for Student Involvement or their designee may take further protective action that they deem appropriate concerning the interaction of the parties throughout the process, including housing assistance and/or academic support.

J. APPEALS AND SANCTION REDUCTION REQUESTS

A Student or Student Organization found to have violated the Standards of Conduct in a Student Conduct Review has the right to appeal the decision and/or request a reduction of the assigned sanction(s). A Student or Student Organization accepting responsibility in an Administrative Resolution may only request a reduction of any sanctions assigned by the Student Conduct Officer.

1. Appeals and sanction reduction requests must be submitted in writing to the Office of Student Conduct within 10 Business Days from the date that the notice of the original decision was sent by the Student Conduct Officer. The submission must specify the grounds for review in accordance with Section (J) (3) or (4) below and include all the supporting reasons, information, arguments, and documents. The Respondent will, upon request to the Office of Student Conduct, be given access to the record (e.g. written decision and/or recording) of the original Administrative Resolution or Student Conduct Review before submitting an appeal or sanction reduction request. Failure to appeal or request a reduction in sanctions within the specified time...
period will make the original decision final and conclusive. Requests will be reviewed in the following manner:

a. Appeals and sanction reduction requests submitted by an undergraduate Student will be reviewed by the Council of Provosts.

b. Appeals and sanction reduction requests submitted by a graduate Student will be reviewed by the Dean of the Graduate Division.

c. Appeals and sanction reduction requests submitted by a medical or pharmacy Student will be reviewed by the respective Dean of their school.

d. Appeals and sanction reduction requests submitted by an Extension Student will be reviewed by the Dean of UC San Diego Extension.

e. Appeals and sanction reduction requests submitted by a Student Organization will be reviewed by the Assistant Vice Chancellor – Student Life.

2. If a Respondent submits a timely appeal or sanction reduction request, the group or individual reviewing the submission may direct the Office of Student Conduct to provide a copy to the Complainant and/or relevant University Official and request a written response. If a written response is submitted, a copy of this response will be provided by the Office of Student Conduct to the Respondent, who may respond in writing.

3. Appeals must be based upon one or more of the following grounds:

a. The determinations of responsibility for the violations are not supported by the findings;

b. There was unfairness in the proceedings that prejudiced the result (e.g. the denial of due process); or

c. There is newly discovered information not known at the time of the Student Conduct Review that would have affected the result.

4. Sanction reduction requests must be based on the ground that the sanction(s) assigned was grossly disproportionate in light of the violation committed, the student’s conduct record, and applicable sanctioning guidelines.

5. Appeals and sanction reduction requests will be decided upon the record of the original Administrative Resolution or Student Conduct Review, the complete statement of the Respondent setting forth specific reasons, information, and arguments for the submission, and any written statement or response by the Complainant, Respondent, or relevant University Official.

6. The implementation of sanctions will typically be deferred during this process, unless otherwise decided at the discretion of the Student Conduct Officer (individual Students) or the Director of the Center for Student Involvement (Student Organizations), in consultation with the Director of Student Conduct or their designee.

7. The group or person reviewing an appeal of a decision made by the Community Standards Board or Review Officer and/or a sanction reduction request will take one or more of the following actions:

a. The decision by the Community Standards Board or Review Officer is affirmed in whole or in part.

b. The case, in whole or in part, is referred back to the Office of Student Conduct for re-review by a new Community Standards Board or Review Officer. On re-review, the results of the previous Student Conduct Review will not be provided to the new Community Standards Board or Review Officer. The new Community Standards Board or Review Officer will be reminded of applicable procedures to ensure proper handling of the Student Conduct Review;
c. The decision is dismissed;

d. The assigned sanction(s) is affirmed;

e. The assigned sanction(s) is modified (e.g. increased or decreased); or

f. The assigned sanction(s) is dismissed.

8. Respondents will generally be notified in writing of the result of the appeal or sanction reduction request by the Office of Student Conduct within 10 Business Days of the date when the request was forwarded to the group or person listed in Section J (1) above. A brief statement explaining the basis of the decision by the group or individual reviewing the request will be included with this notice. The result of the appeal or sanction reduction request is final.

K. STUDENT CONDUCT RECORDS

1. The referral of a report of alleged violations to the Office of Student Conduct may result in the development of a student conduct record for the Respondent.

2. A Respondent’s student conduct record will generally contain the applicable incident report(s) and/or police report(s), meeting and decision letters, and other documents related to student conduct incidents the Respondent has been involved in while a UC San Diego Student or while registered as a Student Organization.

3. The student conduct record of a Respondent found responsible of any violation of the Standards of Conduct will normally be retained by the Office of Student Conduct as a student conduct record for no less than seven years from the end of the academic year the incident is resolved or as otherwise required by law (whichever is longer).

4. If the Student leaves UC San Diego without graduating, their student conduct record will normally be retained by the Office of Student Conduct for no less than seven years from the end of the academic year the incident is resolved or as otherwise required by law (whichever is longer).

5. The record of a student conduct matter resulting in a Student or Student Organization’s dismissal and accompanying transcript notations will normally be retained for no less than 50 years after the end of the academic year in which the incident is resolved.

6. Student conduct records of a Respondent found not responsible for all violations of the Standards of Conduct will be normally retained for no less than seven years after the end of the academic year the incident is resolved or as otherwise required by law (whichever is longer). However, such records will not be considered while determining sanctions in a subsequent case.

7. Whenever any information is included by the Office of Student Conduct or any University Official in a student conduct record, the Respondent will be allowed to include in the record a brief written statement or response concerning the student conduct action. The Respondent may not request a change in the underlying decision or sanction(s) through this process.

**REVISION HISTORY**

2020-06-29. This policy was transferred to the PPM in its current format. Previously, it was constituted as Section 22 of the UC San Diego Student Conduct Regulations. It has been revised by the Office of Student Conduct and reviewed by the Student Conduct Standards Group, campus community, and UC Office of the President regularly since 2012.

2020-09-08 Interim revisions were made to the policy. The interim policy reflects time sensitive updates to the current Student Conduct Policy that take into account the COVID19 pandemic as well as recent changes to the SVSH policy per the Department of Education.
