PROTOCOL FOR CAMPUS NOTIFICATION IN THE EVENT OF A STUDENT DEATH

I. POLICY

When the death of any University of California, San Diego (UC San Diego) student occurs, whether on or off campus, it is incumbent upon the designated UC San Diego officials and administrative offices to provide swift, caring, and professional assistance to the family, survivors, and eligible beneficiaries of any death benefits administered by or through UC San Diego. The Office of the Vice Chancellor – Student Affairs (VCSA) coordinates the notification of appropriate UC San Diego officials and, within the parameters of this protocol, assists those officials, the student's family and the campus community, as requested. In its role as the central point of contact in all matters relating to the death of a UC San Diego student, the VCSA is committed to handling this responsibility in a discreet, sensitive, professional and timely manner.

II. NOTIFICATION AND VERIFICATION

The institutional response to a student death entails a series of administrative actions to settle accounts, resolve benefits issues and close academic and personnel records. Notifications must be made to a number of campus units in order that appropriate administrative actions can be taken in a timely manner. A death notification issued pursuant to this policy is a form of internal notification and is not a substitute for an official death certificate that may be required for certain benefits processing purposes. The VCSA office is responsible for preparing a death notification for any report of a student death that is received and determined to be reliable.

The geographically appropriate Medical Examiner’s Office or Coroner’s Office is generally the governmental agency responsible for verifying the death and identity of the student. It is also the responsibility of the Medical Examiner’s/Coroner’s Office to provide the official notification to the family, next of kin, or person identified on the student’s registration form for such notice. The UC San Diego Police Department will offer to assist the Medical Examiner/Coroner when requested. The UC San Diego Police Department will also notify VCSA in the event it learns of a student death. The VCSA will confirm the student’s death through the Detective Bureau of the UC San Diego Police Department or the Medical Examiner’s/Coroner’s Office when notified of a student’s death by a source other than the UC San Diego Police Department.
