### Appendix III: 2014 Presidential Match Endowed Chair Program

The Office of the President established the Presidential Match for Endowed Chairs in 2014 as an incentive to encourage donors to establish endowed faculty chairs. It was funded through the Presidential Endowment Fund and provides campuses with a \$500,000 Presidential Match once campuses raised at least \$500,000 per chair in donor funds.

This program required the creation of two funds:

- Matching Regents Fund (provided by the President)              \$500,000

A. Annual Payout (N):

- **Donor Fund** - As determined by the appropriate academic Vice Chancellor, this is used for some combination of academic year salary support for the chair holder and support for graduate students in the research area of the chair holder.

- **Matching Regents Fund (FFE)**

- **Chair Holder Allowance                      \$25,000**

Scholarly allowance at discretion of chair holder [e.g., GCCP or Y component, grad or post- doc support, research support, scholarly travel]

- **Balance of Payout                              (N-\$25,000)**

Remainder after deduction of the Chair Holder Allowance. As determined by the appropriate academic Vice Chancellor, this is used for some combination of academic year salary support for the chair holder and support for graduate students in the research area of the chair holder.
