**Recipient Please Note:** The signing of this certificate and the withholding of State income tax do not relieve you from the liability to file an individual income tax return, Form 540NR, within three months and fifteen days after the close of the taxable year.

Failure to file a tax return on time may result in the assessment of a penalty as provided by law, if the amount withheld is not sufficient to satisfy your tax liability, or California income exceeds the amounts prescribed by law for filing a return.

**PRIVACY NOTIFICATION**

The Information Practices Act of 1977 and the Federal Privacy Act require this department to provide the following to individuals who are asked by the Operations Division of the Franchise Tax Board to supply information:

The principal purpose for requesting tax return information is to administer the personal income tax law of the State of California. This includes the determination and collection of the correct amount of tax.

The California Revenue and Taxation Code requires every individual under 36:10 (Personal Income Tax) meeting the income requirements to file a return or statement in such form as prescribed by the Franchise Tax Board (Sections 14601 and 14631 and the regulations pertaining thereto). Individuals filing tax returns, statements, or other documents are required to include their social security number for proper identification and return processing (Sections 14631 and the regulations pertaining thereto).

It is mandatory to furnish all the appropriate information required by the return forms and related data when a return or statement is required to be filed. The law provides penalties for failure to file a return, failure to supply information required by law or regulations, failure to furnish specific information requested on return forms, or for furnishing fraudulent information. Failure to provide all or part of the requested information may also result in disallowance of claimed exemptions, exclusions, credits, deductions, or adjustments which may result in increased tax liability, loss or delay in issuance of a refund for overpayment, interest and penalty charges on unpaid taxes, and other sanctions against the taxpayer.

As authorized by law, information furnished on this form may be given to the United States Internal Revenue Service, the proper officer of any state imposing an income tax or a tax measured by income, the Multistate Tax Commission, and to the following government agencies and officials of the State: Attorney General, Auditor General, Board of Equalization, California Parent Locator Service, county welfare departments and public officials, Department of Finance, Department of Social Services, District Attorneys, Employment Development Department, Legislative Analyst, Legislative Committees, local tax administration, Office of the State Controller and the Regents of Charitable Trusts.

For the purpose of collecting the amount due from individuals with outstanding tax liabilities, the total amount due may be disclosed to employers, financial institutions, County Recorder, vacation trust funds, persons agents, and other payers.

An individual has a right of access to records containing his personal information that are maintained by the Franchise Tax Board. The official responsible for maintaining the information is Director, Taxpayer Services, Franchise Tax Board, Sacramento, California 95817, Telephone (916) 324-4376.
